design a postcard

The first postcard in America was copyrighted in 1861 and originally cost 1¢ to mail if they were produed by the government, 2¢ if they were published by a private company. 1907 - 1915 is known as "The Golden Age of Postcards" due to their popularity. The postcard we know today has gone through a lot of changes over the years! Design your own postcard and write a message to someone below.
